GENERAL INFO

Greetings dear Albion members!

After the amazing drops of previous years, the decision had been made to finally establish the official *Albion Merch Committee*!

Now, we are thrilled to share with you the many designs available in this winter drop, but first some general information.

Picking Your Merch

This drop's merch consists of sweaters, sweatpants and beanies, as well as the addition of mugs!

You can custom order an item with your desired design, as well as a colour of your choice.*

*Items for which colours can be chosen do not include mugs.

Ordering Process

When you've finished browsing the near endless options that we have on offer and are ready to place an order, head over to <https://albionutrecht.nl/members/merchandise/> and place your order today!

You have until **30th of November** to order your merch, after which we will be in contact with further information as to when to expect your order and other practical topics. If you have any questions, concerns or remarks, feel free to ask the Commissioner of External Affairs, Daan Reins or any of the other board members!

Further information regarding, pricing, sizes and other details can be found near the end.

Neon Sign

We definitely recommend getting this design on sweatpants!

As we all know, it is often dark before you know it during these winter months. At this time, it is important to surround yourself with love and lights to drown out the darkness,

That's why this Neon design is here to brighten up your days and add some extra colour to them!

While Elsa might've never bothered the cold, a lot of us certainly do during these chilly seasons.

To combat this, get this design on a nice pair of sweatpants or a cosy sweater to keep you and your vocal cords warm and ready to sing "Let it go" at your heart's content!

"Some people are worth melting for."

Frozen

Runic

We recommend getting the design on Heather Grey, to make sure the design will be clear!

Just like its inspiration, this design is a blast from the past. Originally being released in the academic year of 2020-2021, it has some history to it.

The runes spell Albion, and it is a great way to show off to your Old English Teachers!

And to quote our predecessors:
"The runes are carved into either black stones, or burnt chicken nuggets, whichever has your preference."

Just like the great many we are obligated to read as students of English, this tapestry design is filled with countless pieces of literature.

You may even find a new one to read among them, or will perhaps become determined to figure out just how many we have hidden in there?

Design specially made for mugs!

Tapestry

Rabbit

Wait ... did you just see that grinning cat as well?

How long is forever?
Sometimes just one sweatshirt.

That may sound crazy, but we're all mad here anyway, so why wouldn't you join us in the rabbit hole and get yourself this adorable design!

For those among us that prefer simplicity, we got you covered.

After all, it wouldn't be an Albion merch drop if we didn't include the classics!

Available on beanies, sweaters and sweatpants!

Classic Albion Logo

Stephen King

While *Halloween* has unfortunately already passed, we still have a special design for those enjoyers of Horror among you!

This design of the king himself is guaranteed to keep you motivated during those late night study hours.

We recommend getting either very dark or very light colours, to make sure the design is clearly visible!

Available in both *black* and *white* print!

Last but definitely not least. Dear members, we have come to realize your love for soup and the wishes for there to be merch associated with it.

Hence, we present our adorable Paddington design sporting his own signature can of soup!

Adopt one today!
(Does not include actual soup)

Black & White outline versions are available as well!
