Get ready for  
an Albion  
summer.  
Albion goes  
punk!

Bee ready for  
some great  
new designs

Dear Hobbits,  
The Shire  
awaits you

# QUICK NOTE

Before I give the floor, or catalogue, back to our lovely PR-member Marèl, I (Charlie (Tall)) would like to take this page to explain a small but significant change since previous years.

As it happens, DressMe has changed the way their pricing works somewhat, which makes it yet again impossible for us to give you any definite prices in this catalogue.

The prices are simply an estimation on the more bleak side, so chances are the costs might go down during our ordering process. This is why we want to ask you not to transfer any money to the bank account yet until we send out the confirmation emails with the correct total.

I have complete faith that our merch will make up for any confusion this may cause!

With  
love,  
Charlie

# GENERAL INFO

Dearest Albioneers!

It's time for another Summer merch drop.

We're absolutely thrilled to share the newest Albion Merchcie designs with you. We hope you enjoy these designs as much as we enjoyed creating them for you!

First you get to browse through this catalogue and look at all the new designs and pick your favourite(s).

Then you choose your design vehicle. This merch drop you get to pick between t-shirts, shorts and tote bags. Pick your favourite item and check the corresponding colour charts to pick your desired colour.

Once you've picked out all the beautiful items you'd like, you're ready to order your merch. Head over to <https://albionutecht.nl/committee/merchcie/merchandise/> and place your order.

You have until Wednesday 22 May to order your merch. After that we will be in contact with further information such as when to expect your order or any other information. If you have any questions, concerns or remarks, feel free to ask the Commissioner of External Affairs, Charlie Edelbroek.

# FOX & DOG

This beautiful sentence is well known for containing all the letters of the English alphabet, so to show it a little bit of love, we decided to honour it with a design. And there's no lazy dog more perfect than our very own Albion coffee dog! Enjoy your latte (or hot water if the machine is broken) in the shack just a little more with this design.

The quick brown  
FOX  
jumps over the  
lazy DOG

How  
razorback-  
jumping  
frogs can  
level six  
pique  
gymnasts.

# BEATLES THE SUN

Oh the winter season, she was so heavy. But don't worry because Here Comes the Sun. This bright design is all you need this summer to frolick through the strawberry fields forever. And even though tomorrow may rain, this way you'll always follow the sun. We're sure that with this design you'll end up sort of...unforgettable.

"Little  
darlin', the  
smiles  
returning  
to their  
faces."

# PUNKY ALBION

TIP: Get textile printer paper and add your own festivals, concerts and other activities to the shirt. You'll get your own personalised band shirt!

Are you ready for this festival season? Because with the Albion Punk shirt you will be! (F)rock 'n roll through the summer and look your best(ival) at every single party you go to.

Not a festival person? Don't worry, party for one from the comfort of your own or someone else's home.

# ALBEEON

Your love for bees on your tees? Exactly! All the brightest flowers will bloom the second you walk by wearing this beautiful design. You can look sweet as honey while matching with your fellow Albioneers, and Pooh bear from last year's magazine will longingly look your way.

The MerchCie is not responsible for any of the flowery promises made in this catalogue not being fulfilled.

Your tea with honey will taste much sweeter when wearing this design. Trust me.

# THE SHIRE

Dear Hobbits! Instead of you going back to The Shire, The Shire has come to you. This green and lively design is perfect to brighten up any day. And though the road to Albion merch goes ever on and on, it's worth it to make a quick stop here and consider this summer-y scenery on your shirt.

"The world is not in your books and maps, it's out there." I politely disagree, Gandalf

# AUSTEN WARHOLL

If we loved this design less, we might be able to talk about it more. But let's try anyway. Because just like Emma, you'll feel like the main character wearing this design. So get into your best pride and pop art mindset and let yourself be persuaded by the colourful world of Warholl. And just know, a large collection of Albion merch is the best recipe for happiness I ever heard of.

A Warholl reference in the merch drop two years in a row? Is this a pop-art pattern?

# TYGER TYGER

Tyger, Tyger, burning bright. This tyger looks pretty weird, right? But just know that art can never exist without naked beauty displayed, and this medieval cat inspired design is certainly on display. At least you needn't worry about this tyger's fearful symmetry. When you wear this, people will turn their heads your way. But remember, exuberance is beauty.

Tyger, Tyger, burning bright,  
In the forests of the night;

What immortal hand or eye,  
Could frame thy fearful symmetry?

"Did he  
smile his  
work to  
see? Did he  
who made  
the Lamb  
make thee?"

Tyger, Tyger, burning bright,  
In the forests of the night;  
  
What immortal hand or eye,  
Could frame thy fearful symmetry?

AL  ON
